#### Performance Measure Detail

#### A: Result - Improved cost effectiveness of state procurement.

**Target #1:** 100% of new contracts entered into produce a minimum of 5% savings from prior rates.

Measure #1: Percent of change in cost of goods and services.

#### Analysis of results and challenges: .

07/01/03–12/31/03: One contract (for aviation fuel) alone is producing approximate savings of 6.79% over FY03 cost.

New minimum cost percentages for RFPs, established May 03' generate estimated annual savings of 6.43 %. However, a more conservative estimate of 2% savings was reported to OMB.

Permissive Price Agreements (discount structures) with certain in-state vendors were established in October 03' for purchases of \$5,000 or less. The State entered into nine agreements with saving ranging from 10% to 80% off retail pricing.

01/01/04–03/31/04: DGS awarded one aviation fuel contract at Bethel which is producing approximate savings of 10.39% over FY03 costs.

DGS outsourced the procurement and warehouse functions at the Department of Transportation, Southeast Region. The comparison of state employee costs to the contract rates, including a one-time implementation fee will result in savings of 22% over the two-year pilot term

Seven mandatory duplication services contracts were established in Juneau, Anchorage, and Fairbanks for duplicating jobs of 50,000 impressions and less. These contracts provide average savings of 30% below the contractors' standard pricing.

The Minnesota Multi-state Contracting Alliance for Pharmacy (MMCAP) established two hospital and laboratory supplies contracts for use by member states, including Alaska. The contracts provide savings of 5% - 35% off a wide variety of frequently used supplies, with an average discount of 25% below retail.

DGS' copier acquisition policy has resulted in an approximate 27% decrease in the dollar value of state copiers purchased or leased since implementation of the policy in October 03'.

DGS awarded six office move contracts at Juneau, Anchorage, Fairbanks, Eagle River, Palmer and Wasilla. These contracts provide average savings of 35% below the contractors' standard pricing.

04/01/04–06/30/04: Re-bid of the archival services and storage contract in Anchorage resulted in savings of 2.7% over the previous contract.

07/01/04-09/30/04: Re-bid of the fax machine contracts resulted in estimated savings of 25% over previous contract pricing due to a reduction of models offered.

Negotiations with Symantec resulted in an approximately 55% reduction in the state's pricing level. Symantec

sells a host of products, including Symantec Antivirus which is the state software standard for desktop and server protection.

#### A1: Strategy - Establish consolidated contracts for statewide use.

Target #1: Establish new statewide contracts or purchasing agreements.

**Measure #1:** Number of new consolidated contracts or purchasing agreements.

#### Analysis of results and challenges: .

07/01/03–12/31/03: Five multi-department contracts have been awarded during first half of FY04; aviation fuel, marine vessel fuel, land fuel, copier contracts, groceries. One was a new statewide contract. Nine permissive price agreements were also awarded.

01/01/04–03/31/04: Fifteen multi-department contracts have been awarded during this period; aviation fuel, procurement and warehouse outsourcing, duplication services, office moves. DGS will participate in two multistate cooperative contracts for hospital and laboratory supplies.

04/01/04–06/30/04: One multi-department contract was awarded for archival services and storage in Anchorage. 07/01/04-09/30/04: None awarded during this reporting period.

#### A2: Strategy - Training and certification of state agency procurement personnel.

Target #1: Maintain 20 annual procurement training courses.

**Measure #1:** Annual number of training sessions, personnel certified and re-certified.

#### Analysis of results and challenges: .

07/01/03–12/31/03: Twenty training courses scheduled for FY04. Ten courses completed July – December 2003. Between July – December 2003, 122 state employees have received procurement certification. All certificates processed within 10 days of certification.

01/01/04–03/31/04: Seven courses completed January – April 2004. Attendance was 224 with 51 state employees receiving procurement certification. All certificates processed within 10 days of certification. 04/01/04–06/30/04: Five courses completed April – June 2004. Attendance was 159 with 45 state employees receiving procurement certification. All certificates processed within 10 days of certification. 07/01/04-09/30/04: Four courses completed in July - September 2004. Attendance was 120 with 45 state employees receiving procurement certification. All certificates processed within 10 days of certification.

## **Key Component Challenges**

Increase the current level of services while utilizing the same staff resources to:

- · Automate systems and procurement methods using the Internet to foster improved efficiency for state agencies, improved access for Alaska Vendors to state business, and enhanced reporting on state purchasing activities;
- · Improve the statewide procurement officer certification and training program;
- · Maintain and enhance the Web-based system to track state procurement officer certifications, training records, and delegations of purchasing authority;
- · Increase the number of statewide term contracts available for all state agencies and political subdivisions;
- · Implement and administer the procurement outsourcing pilot project.

## Significant Changes in Results to be Delivered in FY2006

Identify and implement new procurement cost savings, cost avoidance and efficiency measures.

## Major Component Accomplishments in 2004
